### **PLEASE READ THE FOLLOWING:**

Gospel Projects Youth Athletic Club is a training program for children. Our focus is on character building over athletic skill. Participation, developing good work habits, and having great fun are what we believe youth sports is all about. If being on the winning team is your primary concern for your child, you will likely be unhappy with our sports program.

**All participants must register with Gospel Projects YAC each season. YAC reserves the right to close registration in any of its leagues if deemed necessary before the last official day of registration (August 20, 2021 at 12:00pm).**

\*If you are interested in **coaching, sponsoring a team,**  
or **being a program sponsor,**  
contact **Tod Brainard** at **850-623-4671.**

Sponsorship forms are available on our website.
